I apply for a University of Maine Pulp and Paper Foundation Scholarship with the understanding it will allow me to continue my education in preparation for paper industry related employment with a Pulp and Paper Foundation member company or with a competitor of such a company. ***I further understand my scholarship will cease at any time I fail to demonstrate to the satisfaction of the Foundation's Scholarship Committee a continuing interest in employment in a paper related career.***

I am applying to the University of Maine to pursue a degree in Engineering in the field of: _____
If your major field of study is UNDECIDED or General Engineering please contact Jack Healy, Executive Director, UMaine Pulp & Paper Foundation at (207) 581-2298 prior to submitting your application.

THIS APPLICATION MUST BE ACCOMPANIED BY: 1. A transcript from your school of your grades, at least through grade 11 including CEEB/SAT results, if available; 2. A letter addressed to the Scholarship Committee of the University of Maine Pulp and Paper Foundation, 5737 Jenness Hall, Orono, ME 04469-5737, indicating how you have and/or will become familiar with the technology and career opportunities of the pulp and paper industry. You might also include in your letter other information that you believe would be helpful to your request to be granted a scholarship.

RELEASE—I agree that the University of Maine Pulp and Paper Foundation may have access to my academic records both at my high school and at the University to aid in determining whether to grant my request for a Foundation Scholarship.
