Release

I agree the University of Maine Pulp and Paper Foundation may have access to my University records to examine my academic progress in detail and to bring this record up to date as long as I am a scholarship applicant or a scholarship recipient.

Signed: _____

I apply for a University of Maine Pulp and Paper scholarship with the understanding it will allow me to continue my education in preparation for paper industry related employment with a Pulp and Paper Foundation member company or with a competitor of such a company. I further understand my scholarship will be terminated if at any time I fail to demonstrate to the satisfaction of the Foundation's Scholarship Committee a continuing interest in pursuing employment in a paper related field.

Signed: _____

This application must be accompanied by a letter addressed to the Scholarship Committee of the University of Maine Pulp and Paper Foundation, 5737 Jenness Hall, Orono, ME 04469-5737, indicating how you have become familiar with the technology and career opportunities of the paper and related industries. Your letter must also describe how you will continue in the future to develop your awareness of paper industry related career opportunities and process technologies. You might also include in your letter other information, which you believe would be helpful to your request to be granted a scholarship.

APPLICATION DEADLINE – March 30
